A letter was read out asking for a ladies night once a month with perhaps a cocktail drink and nibbles provided by the ladies and, if successful, a craft element to be introduced later. The request was declined as the Club already hosts groups that are restricting the availability of facilities for the general membership and there would be a potential clash with sporting events etc. which provide a significant income. A letter regarding certain comments made by bar staff had been received, It was agreed by the committee that (TS) would speak to the person involved.

7 House (MH) Told the committee that all the refurbishments would start on Monday the 13th July for a four week programme, he hoped there would be minimal disruption to the club but some things cannot all be seen in advance. **(TS)** Said there was some work to be done on the lounge ceiling and this should be organised as soon as possible
